LIST OF PRODUCTS ACCEPTED AT LIMITED SITES (VERMILION, KITSCOTY, MARWAYNE, PARADISE VALLEY, DEWBERRY)

1. E-Waste (computers, computer peripherals, televisions, printers)
2. Used Paint and Paint cans up to 23 litre size
3. Small Household Hazardous Waste

SOME THINGS YOU SHOULD KNOW

1. There is no charge for any of the above products to rate payers within the region.
2. Contractors within the region must use the Vermilion Transfer Site for their waste and the charge is \$90/mT for those located within the region.
3. Large amounts of building materials such as shingles and siding should be taken to the Vermilion Transfer Site. There is no charge for rate payers for building materials as long as they are from personal dwellings.
4. As of May 1, 2011 we are asking all those who bring vinyl siding into Vermilion must have the pieces cut in four foot lengths. This includes both contractors and rate payers.

A tipping fee will apply to users who are not residents of the County of Vermilion River or the Town of Vermilion.
