- Knowledge of building maintenance with experience managing projects.
- Knowledge of social support systems provided by the Alberta and Saskatchewan governments.
- Experience developing and implementing business plans and strategies, as well as preparing & implementing operating and capital budgets.
- Ability to cultivate effective relationships and networks with stakeholders, municipalities, agencies, and various levels of government.

Qualifications

- Bachelor of Commerce, diploma/degree/MBA in Business Administration or a related field, from a recognized institution.
- A C.I.H. designation or progressive experience in public housing operations a definite asset.
- Minimum five years in a management role is required.
- Ability to communicate effectively both in writing, and orally in face-to-face, one-on-one and group settings.
- Ability to analyze a variety of administrative, operational, fiscal, and social problems and make sound recommendations for solutions.
