## IMPORTANT REMINDER - CAUTION

Think twice before disposing of any kind of batteries.

As a result of improper disposing of a battery it may become damaged or punctured and they are a fire hazard as they explode if tampered with.

So, look before you toss them, they are in cellphones, toys, rechargeable tools, solar lights just to name a few. The transfer station has a safe collection site for those batteries, please bring them in for safe disposal to prevent hazards to the entire operations.
