If it is not bagged, it will not be picked up. **NO EXCEPTIONS**. There is not a limit as to how many bags you can put out and all cardboard must be flattened.

CLIMB THRU TIME MUSEUM

We have had a very exciting off-season with lots of big changes! We are excited to welcome everyone to come check out the upgrades and renovation in the main entry and tea room at the Climb Thru Time Museum. We are extremely appreciative of being named the recipient of a substantial grant from FCC, which made the upgrades possible. Please consider including a visit to our Museum a part of your summer plans! As always, we are open beginning June 1 from 10 AM until 5 PM every day until the end of August.

Ladies, we have created a display of "wedding dresses over the decades" of the **women in the 3 Cities area** at the **Climb Thru Time Museum**. We are looking now for wedding accessories **1900-1980** to decorate the shelves and walls of our display room, (wedding head pieces, veils, cake toppers, gloves, shoes, artificial bouquets, wedding album, anything wedding). If you have something from these years, would you be willing to put it on display, yours or a family member? The display runs all summer until closing August 31st. You may take them home any time you wish. We are pleased to display them.
